

There are several bank accounts that the Meeting holds for mission specific needs and managed by standing committees outside of the operating budget. Normally each year, the meeting allocates funds to these accounts as part of the annual budget process. Due to COVID-19, the Finance Committee has decided to limit the amount of these allocations, because these accounts appear to be adequately funded as is. So that those committees are aware, the estimated available budget for FY 2020-2021 is indicted below.
