

Switching between Gallery View and Speaker View

(on a Smartphone)

- To go to Gallery View: Swipe to the left
- To go to Speaker View: Swipe to the right

Here's what zoom says:

Swipe left from the active speaker view to switch to gallery view. You can view up to 4 participants' video at the same time. You can keep swiping left to view more participants' video. Swipe right to the first screen to switch back to active speaker view.
