

## Chapel Hill Friends Meeting PFYM Representatives Annual Report, 2021

Chapel Hill PFYM representatives attend four PFYM Interim Meetings (June, August-jointly with PFF, November, and February) to take care of business and plan the PFYM Annual Meeting.

PFYM Spring Retreat and the sixth Annual Sessions were conducted by ZOOM April 9-11, 2021. Participants from many member Meetings, other Meetings and worship groups and Friends organizations met for worship, fellowship, business and an interactive session with author and educator Niambi Jaha-Echols. Full minutes and an Epistle summarizing the sessions are available.

FCNCL (Friends Committee on NC Legislation) has been active in NC. This organization is independent, but is under the spiritual care of PFYM.

PFYM continues to nurture and support Monthly Meetings and worship groups. Serving as meeting representatives to PFYM is a fulfilling role, and we urge others in Chapel Hill Meeting to consider this in the future.
