9. Rooftop Solar Discernment - the Clerk of Meeting released a statement through "In the Light" on January 4th, stating that the sense of the Meeting regarding the Rooftop Solar Proposal was that **"we are not in unity now, that we are unlikely to find unity on this proposal soon and that the current process is having a deeply harmful effect on us as a Quaker community. It is time to set the rooftop solar proposal aside and to refocus on supporting each other more fully."** This has been a difficult process and not everyone believes this is the best path forward. We will take some time together for any messages that Friends and Attenders are led to share.
